## Collection Schedule

This month's offering will be given to *World Renew – World Hunger*. In many parts of the world, people's stories begin in a place of hardship: illiteracy, and inadequate health care, hunger, and poverty are a regular part of life, and is even harder as the world grapples with the effects of COVID-19. Through God's grace, people's hard work, and support like yours, however, many of these men, women, and children are taking steps to improve their lives. That is why, as World Renew seeks to help people in need, we work through churches and Christian partners in communities around the world to tackle poverty, disaster, and injustice.
