...to be a unified community of believers, who love and worship God, who love and care for each other, who encourage and equip each other to live for Christ, who reach out to a broken world to tell others about Jesus.

## Collection Schedule

This month's Collection is for *Prison Fellowship Canada*. The primary mission of Prison Fellowship Canada (PFC) uses a restorative justice approach based on the life and teachings of Jesus to serve those who have been incarcerated. PFC works through a national network of trained volunteers to facilitate our programs that encourages personal transformation and healing from the harms that contributed to the offending behaviour. PFC programming encourages offenders to understand the impact of their behaviour, build competencies in empathy and responsibility, and transform shame into hope.
